STRUCTURAL INFORMATION Two sets of building plans and site plans required with application.

SCOPE OF WORK \_\_\_\_\_

\_\_\_\_\_

- This application will be reviewed by the Building Inspector. A Building Permit will be issued after review and approval. Construction may not begin until after the permit has been issued.
No new building shall be occupied until the Certificate of Occupancy has been issued by the Building Inspector.
This permit is NOT for electrical work which requires a separate permit and inspection.
Letters of Disconnection from all utilities must be provided prior to beginning demolition. I understand that I will be held responsible for any resulting expenses. (Initial and date) \_\_\_\_\_

All concealed mechanical work and framing must be inspected and approved before permission to cover will be given. Applicant shall call for the inspection of his own work. Applicant hereby agrees to perform said work and construct said building as contemplated in the foregoing application and in accordance with plans and specifications submitted and agrees to comply with the Village of Peoria Heights Code in performance of same. Call (309) 686-2385 for required inspections.
